This is a repeat of the recent DoE Walk the Talk PL - preparation for the implementation of WA Curriculum Languages in 2018 (focus is on Years 3/4 however anyone can attend). Any DoE teachers who did not manage to attend can catch up now with the same presenters and materials. It is open to any JLTAWA teacher from any sector. The PL was written by the MLTAWA under contract to the DoE and specifically targets teachers of Years 3 and 4, however the PL would be of high value to all teachers in implementing the new WA Curriculum as it rolls out over the next few years.
